THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

W.P.No.21504 of 2003

ORDER:

The petitioner established a medical college at Chinakakani Village, Mangalagiri Mandal, Guntur District. The Government of India, first respondent herein, accorded permission, through their proceedings, dated 30.09.2003, for an intake of 100 students for the academic year 2003-04. The petitioner challenges the said proceedings, insofar as first respondent restricted the intake to 100 and seeks a declaration to the effect that it is entitled to admit 50 more students.

While admitting the writ petition on 08.10.2003, this Court declined any interim order and on the other hand, dismissed the two miscellaneous petitions. The result is

that the restriction as to intake continued to be operative.

Even where, the college is accorded permission and approval, the intake is to be reviewed year after year by the Medical Council of India and the Government of India. It is not known as to whether any alteration in the intake has taken place for the subsequent years. Either way, no relief can be granted to the petitioner, at this stage.

The Writ Petition is, accordingly closed, leaving it open to the petitioner to work out its remedies, for the future academic years, in accordance with law. There shall be no order as to costs.
